Defined by its airy and refined architecture, the Superior Room features a spacious open-plan layout, gracefully divided by an elegant architectural arch that harmoniously separates the sleeping area from the comfortable living space.

The bedroom is centred around an impressive king-size bed, framed by a beautifully designed headboard created to ensure the highest level of comfort and a truly restful night's sleep.

Decorative handcrafted majolica tile flooring, inspired by the colours of Lake Como, is complemented by elegant contemporary-classic furnishings that bring warmth, character, and timeless charm to the room.

A private balcony overlooks the shimmering waters of the lake, providing the perfect setting to enjoy breakfast at sunrise or an aperitif as the sun sets.
