The room is tastefully furnished in a sophisticated Colonial style. At its heart is a graceful wrought-iron bed with delicate lines and an upholstered bench at the foot of the bed. The floor features exquisite decorative cement tiles with geometric and floral motifs in warm terracotta and soft grey tones, lending character and personality to the space while creating a striking contrast with the bright walls and elegant furnishings. Completing the décor is a beautifully crafted wooden valet stand, whose timeless design adds a final touch of classic sophistication.
